

Pilot Light LMB Series

LMB Series LED Pilot Lights

- Multi chip LED integrated onto light surface
- IP65 NEMA 4X
- Single hole fixing 22.5mm
- Bright and colour intensive light distribution
- Temp range -25 to +55°C
- cURus, CE approval

Introducing the LMB mono block, multi-chip LED pilot light. These LED lights can be used in new installations or a retrofit of an existing panel as they will fit into a standard 22.5mm (7/8in) hole. Besides having a bulb that outlasts a standard incandescent bulb type, LEDs are not affected by vibration or heat.
